"will be a part of larger seed raises from start-ups that are innovating in technology to disrupt the cruelty-free market and will also support its existing portfolio and other later-stage companies through follow-on fundings."

Beyond Animal's putting on a lot of new financial initiatives in their timeline.

Read the timeline here: <https://www.greenqueen.com.hk/beyond-investing-vegan-investment-platform-expands-range-of-animal-free-indices-funds/>
