It would seem that Bronn's title as Master of Coin extends past the Game of Thrones TV series. His portraying actor, Jerome Flynn, has joined the advisory board of a crypto token called VeganCoin.

According to Flynn, he has joined the advisory board this year and wants the token to serve as a fundamental building block of an infrastructure that will make vegan lives easier and more economical. Ecological incentives are not lost on Flynn, as he has stated that he believes the usage of this coin will lead to a better Earth and will lessen the carbon footprint of humanity.
