"Dr. Foods Co., Ltd., (hereafter, "Partner A") and Next Meats Co., Ltd., (hereafter, "Partner B") agree on a basis of mutual trust to the following collaboration concerning the process of development (hereafter, "Development Process") of new artificial meat products (hereafter, "New Products")."

"At present, Partner A is in development regarding an alternative meat product known as "Dr. Foie Gras", which is a Foie Gras created from a mix of cashew nuts, coconut oil, yeast or miso extract and other proprietary ingredients. In the case of "Dr. Foie Gras", revenue will be credited 100% to Partner A."
