Vegan Culture series: **Music, Part 1 - Vegan specific songs.** Other parts: [2](#) - topics (vegan-friendly, not vegan-specific), [3](#) - block party

Notes:

- Will credit contributors.
- **Warning:** The ones with language have an asterisk (*), by a technicality (has non-vegan elements, but the main person(s)/depiction is vegan (or at least borderline)) have an ampersand (&), and with sensitive material have a carat (^)
 - Note: the clean version of the playlist will include any song that has no symbol (except if it's for the video)
- Just created a list to document just how varied vegan songs are, to dispel the stereotypes about them being hippie-style only.
- Part 2 [here](#).

that's pretty cool that he was in it - I wouldn't say it's a vegan song, but definitely a vegan music video!

There's metal band Cathedral's "Requiem for the Voiceless". The singer is vegan!

Also, Gentle World has a few animal songs. I'm asking permission to add them.

Also how about Cows with Guns. Is this song on here?

were you ever able to get permission?

I didn't add cows with guns, because I didn't have the ampersand symbol (as some may not believe it's vegan, due to the violence against humans, which are people too). I couldn't find any Gentle World songs, but if you add them here - I'll credit you.

How about Ape man by the kinks. I have the words Is it here?

Ape Man by The Kinks

I think I'm so sophisticated because I'm living my life like a good homosapien

while all around me everyone is multiplying and they are walking around like flies, man

so I'm no better than the animals sitting in the cages in the zoo, man

cause compared to the flowers and the birds and the trees I'm an ape man

i think I'm so educated and I'm so civilised cause I'm a strict Vegetarian

with the over population and inflation and starvation and the crazy politicians I don't feel safe in their world no more

I don't want to die in a nuclear war

i want to sail away in a distant shore and live like an ape man REFRAIN

I'm an ape man I'm an ape man I'm an ape man I'm a king kong man

I'm a voodoo man, I'm an ape Man

I look out the window but I can't see the sky

The air pollution is fucking up my eyes

I want to get out of the city alive and live like an ape man

and I'll be taking off my clothes and swinging in the jungle
cause the only time I feel at ease is swinging up and down in the coconut trees
oh what a life off luxury to be like an ape man
Come on love me, be my ape nan girl and we'll be so happy in my ape Man world REFRAIN
ILL BE YOUR CHARLES AND you'll be my Jane
I'lol keep you warm and you'll keep me sane
We'll sitc in the Trees and eat bananas all day, just like an ape Man
