

Which physiological enhancements would be ideal for bionics?

20 23 0 1 47

Background

Sci-fi media (see list below) and robotic advancements inspire the development of human enhancements through [cybernetics](#). Now is the time to ask, which physiological improvements through mechanics would we want to see in the human body?

Lists

- Sci-Fi

The [Bionic Woman](#)

The [Six Million Dollar Man](#)

The [Terminator](#)

[Star Wars](#)

[Elysium](#)

[Inspector Gadget](#)

[Iron Man](#)

[Tron](#)

- Real World or hope for

[DARPA](#)

[Industrial Robots](#)

Ray Kurzweil - [1](#) [2](#)

[Isaac Arthur](#)
