### Content

There are different perspectives and lenses to read, analyze, and critique books from. This article ( <https://humaneherald.org/2017/12/05/vegan-literary-theory-and-criticism-toward-a-literature-of-their-own/> ) shows some concepts to think about from a different perspective:

- Hierarchy
- Otherism
- Anthropocentrism
- Speciesism

Feel free to read more to read all the details.
