## Content

All the discussions I could find on [Kialo](#) as of 7-10-20 from <https://www.kialo.com/search?q=vegan>. If you'd like to participate in them, create an account and join in there.

### Note:

- these are discussions and shouldn't be taken seriously in terms of what should be done in life, but instead of educate each other on everyone's thoughts to form one's decision better than before!
- Kialo isn't a vegan website - but <https://www.veganforum.org/> is - if you'd only like to be on a truly vegan site.
