Vegan specific diseases series: part 3. Others: parts - [1](#), [2](#).

While vegan-related health conditions that anyone can get are numerous, here's what only veganism (plants, etc.) will give if anyone is or goes that won't be found with eating animals:

- [Favism](#) * [toxic squash syndrome - https://www.ccmhhealth.com/pumpkin-lovers-beware-know-the-signs-of-toxic-squash-syndrome](https://www.ccmhhealth.com/pumpkin-lovers-beware-know-the-signs-of-toxic-squash-syndrome)
 - [lycopenemia](#) * [solanine poisoning - https://www.canr.msu.edu/news/solanine_poisoning_how_does_it_happen](https://www.canr.msu.edu/news/solanine_poisoning_how_does_it_happen)
 - [dermatitis](#) [phobias - https://www.verywellmind.com/list-of-phobias-2795453](https://www.verywellmind.com/list-of-phobias-2795453)
- | | | | |
|--|---|---|--|
