@vegforlife hey, thanks for inviting me as admin to this debate! Unfortunately I'm going away for a few months soon, so won't be able to help out much - I think I know someone who would be interested, though (I've been on other debates with them and they're interested in topics like this!) - do you want me to send them over here? :)

@vegforlife (have invited them as a Writer, but if you want me to make them admin do say so :))
