@vegforlife Hey! Since I know you have a lot of workload too! Let me know if you need a hand admin-ing this discussion as well?

avada (1.5k) · 10mo

@avada with specific branches, yes!

You (8.7k) · 10mo

you up for it?

You (8.7k) · 10mo

I guess I'm a little confused. Would you like admin privileges or just to help me figure out what claims are saying, so I patch them up?

You (8.7k) · 10mo

@vegforlife Both are fine actually! Would love to help either way!

avada (1.5k) · 10mo

@avada ok, I'll add you as an admin and tag you for the claims I need help with.

You (8.7k) · 10mo

@avada with the tagging, it's just about interpretation, where you'll help me decipher what a person says. We wouldn't be editing/accepting their claims - as that would be the next step. So at this first step, just an interpretation. Thanks!

@vegforlife That sounds very fair to me! I will go through the notifications now!

avada (1.5k) · 10mo

@avada coming back to your notifications tomorrow. I'm doing a new scheduling where I'm here every other day, so my real life doesn't fall behind, but neither do the discussions.

@vegforlife sounds good!

avada (1.5k) · 5mo

@avada I picked out the ones that I feel can be taken out. There might be more. Idk if you want to make a list here as a bookmark of them or what, but I tagged you.

@vegforlife Will have a look, sorry for not being able to come back to this earlier!

avada (1.5k) · 2mo

@avada at least you did now. I didn't do much for a month either.

Hi I saw this and I thought of you:

@Runrunriver that's so sweet of you, aw! I guess they're taking it seriously now, neat. I would say that's really important, as now we're going to have more robots and the definition of consciousness will need to be known to know how it's applied to robot rights and stuff :) Thanks for showing me :)
