@vegforlife re: our last conversation, happy to help with editing/admin here if you need me!

jm_dav (1.2k) · 7mo

@jm_dav I really could use the help, especially in the intro section. Thanks!

You (7.5k) · 7mo

Yay! I'll get on that tomorrow morning if that's okay

jm_dav (1.2k) · 7mo

@vegforlife Do you have any major concerns about it?

jm_dav (1.2k) · 7mo

@jm_dav whoa! Thanks for superhero-level speed lol. Yes, it's short and has a hanging link

You (7.5k) · 7mo

@vegforlife it's tricky because it isn't two sides of a debate, but you could lengthened it by offering some arguments - so like "some argue x, or others might say y..."

jm_dav (1.2k) · 7mo

So pick the most important/popular branches and mention them in the background

jm_dav (1.2k) · 7mo

so like "some say that superspeed is the best superhero power because of all of the benefits, like x,y, and z"

jm_dav (1.2k) · 7mo · edited 7mo

@jm_dav that's going to be too much work for me, so I'll just leave it as-is

You (7.5k) · 7mo

@vegforlife It doesn't need to be done right now so don't worry about it

jm_dav (1.2k) · 7mo

@vegforlife I also found this really helpful link that explains loads of superpowers!
powerlisting.fandom.com

jm_dav (1.2k) · 7mo

@vegforlife Also, what about adding a 'superhero' and 'comics' tag to try attract more people?

jm_dav (1.2k) · 7mo

@jm_dav I actually got ill with a summer cold, so I can't do too much brain work, that's why

You (7.5k) · 7mo

@jm_dav good idea.

You (7.5k) · 7mo

@jm_dav if a word's already in the title, then it doesn't need to be a tag - as it will pop up in the search without it

You (7.5k) · 7mo

@jm_dav that link's already in the intro

You (7.5k) · 7mo

@vegforlife well maybe adding 'DC' or 'Marvel' might work? As well as 'comic' which isn't in the title but definitely is applicable to the debate

jm_dav (1.2k) · 7mo

@jm_dav if you think of any tags, add them in. We only get 6.

You (7.5k) · 7mo

@vegforlife Will do!
