When thinking of contributing to creators, here's a place to start.

From the first page (see following pages for others):

- Earthling Ed creating Vegan Activism & Education
- <u>Joey Carbstrong</u> creating Vegan Content
- That Vegan Couple creating Podcast Show, Vegan and Animal Rights Content
- <u>Der Graslutscher</u> creating Blog-Artikel, Podcast, Videos über Veganismus und anderes Zeug
- <u>Slightly Crazy Vegan</u> creating Videos
- Mexie creating class consciousness with a vegan twist
- <u>Mic the Vegan</u> creating Vegan Youtube Videos
- <u>Unnatural Vegan</u> creating videos about veganism
- The Bearded Vegans creating Podcasts
- Not Leaving Las Vegas creating content to show the universe the REAL Las Vegas
- <u>Bite Size Vegan</u> creating Free, Open-Access, Vegan Educational Content
- <u>James Aspey</u> creating Educational & Inspirational Vegan content
- <u>Sara Kidd</u> creating vegan cooking videos, workshops and exclusive recipes
- Brand New Vegan creating Plant Based Comfort Food Recipe You Love
- <u>Humane Hancock</u> creating Vegan Activism & Education
- Vegan Sidekick creating Animal Rights Comics
- <u>The Cranky Vegan // Jake Conroy</u> creating support, giving EVERY DOLLAR to sanctuaries & the grassroots
- The Easy Vegan creating silly but tasty vegan food videos
- <u>Eisel Mazard</u> creating Political, Autobiographical, and Vegan Videos
- <u>Vegan Vanguard</u> creating radical podcasts!
- <u>Demi Colleen</u> creating blog posts about racism/diversity in beauty and veganism
- Anonymous for the Voiceless creating a vegan world through public outreach.

Great list Brittany! I would add Seb Alex: https://www.patreon.com/sebalex who has unparalleled work creating youtube content, university talks, e-book, and helped launch a vegan center in Lebanon as well as feeding vegan meals to impacted folks while in the front line after the Beirut explosion.

Sweet! My list is only for the first page, but your comment being here will be visible for others to see.
