"You have no idea what the menu should be? Here you can request a randomly generated menu of breakfast, lunch and dinner. If you don't like it, click the Request New button at the bottom of the page!

Make sure that the entire menu bar is regenerated in this case, so open the sympathetic recipes on a new tab before requesting a new menu bar!"

Example:

Breakfast:

[Peanut butter jelly sandwich - what is it and how to make peanut butter at home from peanuts? - Vegan recipe](#)

Lunch:

[Nettle soup - vegan recipe](#)

[Vegan Szekler Cabbage Recipe - Made with Potatoes and Tofu](#)

[Homemade vegan peanut butter](#)

Dinner:

[My favorite lentil salad \(vegan\)](#)

[You can make vegan green pea cream in 5 minutes, the taste of which is only extraordinary in color](#)
