What Is Vegan Ville?

Veganville Urban is an Eco-Sustainable Vertical Apartment Village close to a major city with modern centralised resources and services. It offers the benefits of private living close to the city & the opportunity to connect and associate with other vegans.

Veganville Rural is a farm project with quality static wooden lodges for those who prefer to live in Nature. People living in either the rural or urban Vegan Villages can swap between sites.

Facilities That Make Everyday Life Easier...

At Veganville, we believe that life is for living. Why spend time Ironing, Cleaning, Cooking etc, when you can focus on the things that matter most to you! We will implement a range of facilities and services to help increase your quality of life. There will also be a work / study programme for those wanting to work within the community.

Compact Private Homes With Hi-Tech Modern Quality Fittings.

No Need For

- Laundry
- Grocery Shopping / cooking (*unless you want to!*)
- Cleaning, washing up, emptying the trash.
- Toys all over the living room floor. (*There is a dedicated toy library and childrens playroom with toys to suit all ages.*)

High Quality Vegan Cuisine On Demand.

- Plant based cuisine
- Expert Chefs
- Organic Produce
- Forward Facing Retail Restaurant
- Back end community food service

Gourmet Wholefood Vegan Cuisine. Economical, high quality food on tap. You no longer need to go grocery shopping unless you want to. No washing up, no garbage! And with produce being bought in bulk, it greatly reduces plastic waste and our individual carbon footprint.
