Students should be allowed to skip grades.

SUGGESTED CON

If you skip grades you would not get friends and you will miss out on fun

If people skip grades, they miss out on social experiences that define one's childhood.

SUGGESTED CON

Definitive social experiences may be possible outside of the current education model.

Students should be allowed to skip grades.

SUGGESTED CON

Although the student demonstrated their academic ability, highly over the average among students of their grade. They still need to confidently grasp on to all subject matter, one step a time. This also depends on the factors that play in to why they are performing so well

Students should be allowed to skip grades.

SUGGESTED PRO

Yes.. Advancement in education is always needed.. Let them learn and perhaps the teachers of the future will shine a bit more brightly. Boredom for a student leaves us looking as : trying to disarm the Good Guy. aka a bit nutty.

Students should be allowed to skip grades.

SUGGESTED PRO

The whole point of school is to learn, if you already have the requirement for the age.

Their age would not match up with other students, which can create negative impacts, that are unseen with not skipping grades.

SUGGESTED PRO

Given female students, generally speaking, look up to older students, a student that is even younger than the average class age will have even fewer chances to find a mate.

Students who skip grades are exposed to more bullying in school.

SUGGESTED PRO

Children that are not skipping classes will feel like they are considered dumb and will thus bully the one that makes them feel or appear dumber.

Belphegor (267)

Students who skip grades are exposed to more bullying in school.

SUGGESTED PRO

Assuming normal growth, children that are younger will be physically smaller and weaker and will thus be easier targets for bullying in school.

Students should be allowed to skip grades.
