After speaking with Claire, she said those who invested with Beyond Animal have a free membership for a year, that's worth \$1000. Just be sure your profile (https://beyondanimal.com/user/profile/view/___username___) will be able to let you find deals to check out here: <https://beyondanimal.com/deal/investor/list>. The year membership already started, so if you want it, don't miss out!
